**Posidonia '88**
179 -Piraeus, Greece, is once again the
183 meeting point of the maritime industries of the world. The exhibition will be held from 6-11 June and will host over 650 companies from 45 countries. We preview just a few of the exhibits, to highlight the comprehensive range of companies attending and the equipment, facilities and services that are on offer.

**Cruise/Passenger Shipping**
207- **Introduction — 'A shipping market**
223 **in a revolution!' In this feature we look closely at the developments which have taken place in this marine field, particularly highlighting some of the lucrative and interesting contracts that have recently been placed with several shipyards throughout the world, and raising the dangers of the industries' entry into another possibly 'over-tonnaged' situation. Mr. Chinedu J. Ogbuago, a Freelance Contributor, has prepared this special report.**
224 Reduction of Cruise Vessel Noise Levels

# EDITORIAL INDEX (continued)

**Lifesaving aids**

226 Introduction
VIKING following up their success in the French market with a major contract for Canada.
Watercraft — second to none.
227 Fassmer supply Lifeboat equipment for new cruise liners.
228 PrOD system approved and operational.
